Data sheet

Air Fly - vMix

With Blue Pill Inside

Get ready to work out of the box with Air Fly vMix. With Air Fly vMix you have a full featured desktop controller for live switching. We've made a special keypad version for the vMix system at a very competitive price point. All versions gives you full freedom to access all device cores.

Blue Pill Inside

SKAARHOJ Universal Controllers supports more than 120 different devices, and counting! Check out our website's "Device Core" section, to see what can be controlled at https://www.skaarhoj.com/support/device-cores. The flexible User Configuration makes it possible to assign and add the functionality you need from the controller. All controllers are IP-based, and can have Remote Control with PoE. All SKAARHOJ products are designed and built in Denmark.
