Data sheet

Blue Pill

Blue Pill enhances the UniSketch ecosystem by combining multiple controllers into a single seamless controller. For example, you can take a PTZ Pro and combine with a Frame Shot and have the Frame Shot show thumbnails for your preset recalls. The selected camera on the PTZ Pro will drive the preset selection on the Frame Shot because to Blue Pill they are essentially just one single panel.

SKAARHOJ Universal Controllers supports more than 120 different devices, and counting! Check out our website's "Device Core" section, to see what can be controlled at https://www.skaarhoj.com/support/device-cores. The flexible User Configuration makes it possible to assign and add the functionality you need from the controller. All controllers are IP-based, and can have Remote Control with PoE. All SKAARHOJ products are designed and built in Denmark.

Features

- Universal control of multiple 3rd party devices
- Flexible user configuration
- IP-based remote control, can be powered with PoE (Power over Ethernet)
- Modular multi-surface system
- OLED display
- The LED light bar on the back of your BluePill can be configured to any color and intensity
- Blue Pill features a micro USB 2.0 port
- Reset and status LED
- BluePill is born with two ¼"-20 UNC standard screw holes
- Ethernet with PoE (IEEE802.3at)
- Designed and built in Denmark

Hardware specs	
OLED display	1
Tally Light	1 in the bottom
Product W x D x H (mm)	81 x 50 x 264
Weight (g)	124
Shipping box W x H x D (mm)	To be announced
Shipping box Weight (g)	To be announced
Country of Origin	Denmark
Product cables	None
Skrew Thread	2x (1/4")
Connectivity	
Power Port	Micro USB
Networking	RJ45 Ethernet
Wifi specifications	2.4 GHz, 5.0 GHz IEEE 802.11 b/g/n/ac
Output Port	HDMI
Input Port (for frame grabber)	USB A
Recommended cables (not in the box)	LAN Cat 6 S/FTP or better
Operation	
Power Consumption	12 Watt max. power consumption from POE. IEEE802.3af compliant
Operating System	skaarOS (Blue Pill)
Universal Control	Check our website for Device Core to what can be controlled https://www.skaarhoj.com/support/device-cores

Main Option:
Blue Pill
