Semi-professional 4K camcorder – compact and lightweight with 60p recording, 25mm wide-angle lens with 24x optical zoom and large OLED viewfinder.

As a very compact 4K 60p camcorder, the X1600 offers the mobility and portability to meet a wide range of demands and requirements. It records in 4K at 60fps and Full HD

even at up to 120fps for perfect slow motion. The universal lens offers a 24x optical zoom with an initial focal length of 25mm. In addition to the three-stage ND filter, it also offers two adjustment rings for quick manual operation of focus, zoom or iris.

The highest quality standards for the image are met by recording with 4:2:2 10-bit colour depth at 4K 30p. With the integrated WiFi, it can also stream the recordings live in HD to the internet.

In the box:

- HC-X1600E
- Li-Ionen battery (5.900mAh)
- Eye cap
- Lens hood
